Good Friday at CACB

All welcome to attend the Annual Good Friday Services at the College which will commence at 11am with Stations of the Cross, followed by a long break for lunch and at 2.30pm the Solemn Ceremony of the Lord’s Passion.

Father Paul Fox, Parish Priest

Catholic Easter Prayer

Lord, the resurrection of Your Son has given us new life and renewed hope. Help us to live as new people in pursuit of the Christian ideal. Grant us wisdom to know what we must do, the will to want to do it, the courage to undertake it, the perseverance to continue to do it, and the strength to complete it.

**YEAR 8-9 HISTORY PROJECT**

To consolidate student understanding of the history of the Vikings I decided to think outside the box and came up with the hair-brained idea that the Year 8-9 History class would construct a Viking longhouse using tools similar to those used in Viking society. A mammoth task some would say, however these students are proving to be ingenious and hardworking!

Armed with a pick, a couple of hammers and shovels, a length of twine and several pine logs and an assortment of timber bits and pieces students began their project this week and in less than an hour they had managed to dig and sink several supporting beams for the house in some incredibly hard clay and rock. Students worked as a team, communicating with each other and assisting one another - no student was left behind and every single student participated with enthusiasm and pride! So watch this space for further updates and progress pics of the Year 8-9 History class project.

**WORK EXPERIENCE**

By now parents of students in Senior Secondary (Years 10 – 12) should have received information about the Work Placement Program scheduled for the final 2 weeks of Semester 1, 23 June - 4 July 2014. The timing for the program is to allow students to return home or to stay with relatives for the two weeks prior to the school holidays to do their work placement.

Please discuss the possibilities for work experience with your student/s and start getting organised. If you have not received the information ask your son or daughter to see Mrs Okely in the VET office.

Congratulations to Michelle Reid & parent for being the first student organised!! And to Aidan Willcocks a very close second!

Thank you

**BSTREETSMART EXCURSION**

Our year 10 students will be visiting Perth Arena on Wednesday 9th April to take part in the annual Bstreetsmart event. This event is organised by the RAC and aims to educate young people on all things related to road safety. It includes a motor vehicle accident scenario representing all aspects of a fatal accident, discussions from people who have been left with significant disabilities following car crashes, and talks from parents of young people who have died on the road. It is confronting with the hope that our young people will listen, learn and become safe and responsible drivers.
