MURESK EXCURSION

On the first day of term two our senior Agriculture students had the opportunity to visit Muresk Institute in Northam. The students had a tour of the operational farm at Muresk including assisting at the shearing shed with bringing the sheep in, yarning, drafting and wool handling. A highlight for some on the day was the tour of the piggery and the information provided by the manager Walter.

Activities were run by C.Y. O’Connor Institute and Muresk Institute staff that highlighted the many various careers and pathways associated with the Agricultural Industry. Steve Madson from CYOC talked about wool and shearing and Ben Silverman from Landmark, Business Development Manager Wool and WA Wool Auctioneer explained where his love of sheep as a little boy, had taken him in his career.

Above—left and right, Students attend Muresk and visit the shearing shed and piggery.

Catholic Ascension Opening Prayer

Let us pray
[that the risen Christ will lead us to eternal life]
God our Father,
make us joyful
in the ascension of your Son Jesus Christ.
May we follow him into the new creation,
for his ascension is our glory and our hope.
We ask this through our Lord Jesus Christ, your Son who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.
