**FUNDRAISING**

During term two, our fundraising focus is on the Vinnies (St Vincent de Paul) Winter Appeal & Lifelink – both WA Catholic charities.

We are looking for contributions of bottled or tinned food and/or toiletries (soap, shampoo, toothpaste, toothbrushes, tissues etc). This can be done through your son or daughter’s home room or through the Student Services Office.

**Mass at CACB**

Most weeks during term the boarders celebrate Mass in the Chapel of St Joseph on Saturday evenings at 6.30 pm. CACB families – especially boarding families who are visiting – are welcome to join us.

This week Saturday May 24th is the 6th Sunday of Easter and our celebrant is Fr Andrew Chen OMI, chaplain at Notre Dame University, Fremantle.

Saturday May 31st is Ascension of the Lord but there will be no Mass because of Boarders Long Weekend.

**PBF PRESENTATION**

On Monday 19th May, Kym from the Paraplegic Benefit Fund came to the college to talk to the year 10 students. He spoke about road safety and making good choices as a driver.

Kym suffered a spinal injury from a motor bike accident he had after drinking with friends. He is now confined to a wheelchair for the rest of his life. He spoke candidly about the implications of paraplegia and how it affects not only him, but all his family and friends. He discussed how he suffered severe depression after the accident, but has now chosen to make the most of his situation.

Many thanks to Kym for visiting us.

Ten Tips for Study

1. Give yourself enough time to study

Don’t leave it until the last minute. While some students do seem to thrive on last-minute ‘cramming’, it’s widely accepted that for most of us, this is not the best way to approach an exam. Set out a timetable for your study. Write down how many exams you have and the days on which you have to sit them. Then organize your study accordingly. You may want to give some exams more study time than others, so find a balance that you feel comfortable with.

2. Organize your study space, that can be left undisturbed by others.

3. Use flow charts and diagrams

4. Practice on old exams

5. Explain your answers to parents and siblings

6. Organize study groups with friends

7. Take regular breaks

8. Snack on 'brain food'

9. Plan your exam day

10. Drink plenty of water

Boarders long weekend is an ideal time for students to study for their examinations.

PRAYER FOR EXAMS

Loving God
be with me now,
as I prepare for my exams.
Thank you for the many talents and gifts you have given me
and for the opportunity of education.
Calm my nerves and anxiety, help me
to remember all that I have studied,
to express it clearly and to answer the questions the very best that I can.
Holy Spirit, sit with me in my exam
- and always.
In Jesus’ name
Amen
