**FUNDRAISING**

During term two, our fundraising focus is on the Vinnies (St Vincent de Paul) Winter Appeal & Lifelink – both WA Catholic charities.

We are looking for contributions of bottled or tinned food and/or toiletries (soap, shampoo, toothpaste, toothbrushes, tissues etc). This can be done through your son or daughter’s home room or through the Student Services Office.

**PRAYER FOR PENTECOST SUNDAY**

When was the last time
that we heard the wind of your Spirit
roar through this place?
When was the last time
your fire lit up this room?
When was the last time
we took you at your word
and met together in expectation
of your Spirit filling this place
and these lives with your Glory and Power?
Lord, you challenge us with Pentecost.
Do we believe that this
was a once in eternity experience
never to be repeated?
That the Holy Spirit was poured out
on your followers for a single purpose
and ended His work at that instant?
If so, then maybe that is why the Church
seems so powerless in this age
helpless when faced with the needs
both spiritual and physical
that we see in the world.
Lord, as we meet together
and celebrate once again
the memory of that first Pentecost
may it be for us as it was then
a moment of empowerment
an awareness of your Glory in this dark
world
a life changing experience

Ten Tips for Study

1. Give yourself enough time to study
Don’t leave it until the last minute. While some students do seem to thrive on last-minute ‘cramming’, it’s widely accepted that for most of us, this is not the best way to approach an exam. Set out a timetable for your study. Write down how many exams you have and the days on which you have to sit them. Then organize your study accordingly. You may want to give some exams more study time than others, so find a balance that you feel comfortable with.

2. Organize your study space, that can be left undisturbed by others.
3. Use flow charts and diagrams
4. Practise on old exams
5. Explain your answers to parents and siblings
6. Organize study groups with friends
7. Take regular breaks
8. Snack on ‘brain food’
9. Plan your exam day
10. Drink plenty of water

Boarders long weekend is an ideal time for students to study for their examinations.
